Query Logic for **BETTING**

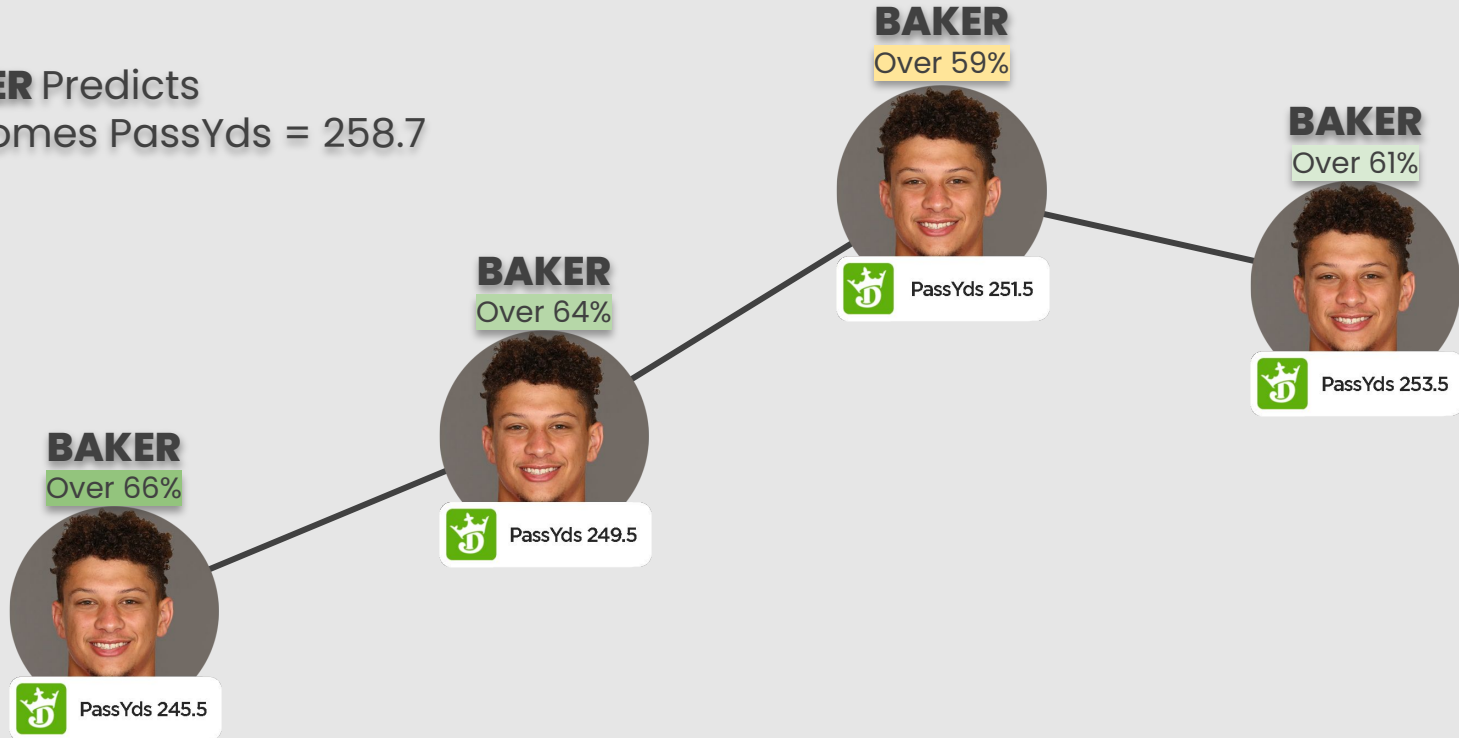

- Query at any level: career, season, game, team, player & play
- Probabilities including avg, median, min, max & and percentile results
- Combine stat categories for multi-event probabilities
- Generate trends that support for/against expected outcomes

Query Examples for **BETTING**

Dalvin Cook to run for 10 TDs & the Vikings miss the playoffs	C. Kupp, T. Higgins & K. Allen are all first to score a TD in their games this week	Ja'Marr Chase scores 2+ TDs & the Bengals lose
Highest +EV 3-leg parlay in NFL Week 1	Total assists for Luka in the 2nd half	Average and 95% percentile expected fantasy points from D'Andre Swift in Week 8
If Colts have 10+ wins, then average expected rush TDs by Jonathan Taylor	If Packers lose, then average & median proj. fantasy points for Aaron Rodgers	Tampa vs. Dallas to score more than 48.5 total points

Pre-Packaged Outcomes Tied To **LIVE ODDS**

BAKER Predicts
Mahomes PassYds = 258.7

Custom Curated **TRENDS**

Suggestive

"Luka has a 67% Chance of hitting BetMGM's over on rebounds tonight"

"There is a 72% chance Kupp will have less than 125.5 Receiving Yards Monday night"

Factual

"The Eagles are 4-1 when facing NFC opp at home this season"

"Embiid is 2-5 covering Pts+Assists when on the road against a top 5 defense"

Supporting Both Sides*

"The Astros are 10-4 against the Spread this season"

"The Astros are 2-4 against the Spread this season when on the road"

**When combined with our Bet Tracking technology, you can serve trends that align with users' historically preferred betting market types*

Example Query INPUT & OUTPUT

```
"query":{
  "select":[
    {
      "category":"player",
      "metric":"receiving_yards",
      "measure":"median",
      "player_id":"21744"
    },
    {
      "category":"player",
      "metric":"receiving_yards",
      "measure":"max",
      "player_id":"21744"
    },
    {
      "category":"player",
      "metric":"receiving_yards",
      "player_id":"21744",
      "measure":"average"
    }
  ],
  "from":17688
}

{
  "_meta":{
    "number_of_simulations":10000,
    "execution_time_seconds":1.0033
  },
  "result":{
    "receiving_yards_median_21744":98,
    "receiving_yards_max_21744":156,
    "receiving_yards_average_21744":104.3103448275862
  }
}
```

Competition **COVERAGE**

Available in 2022:

Planned for 2023 and beyond: Soccer, Golf, Tennis, Motorsports, Fighting
